Tournament Results

Coming Event: Idaho Open -
Boise, May 13-14.

On January 20, the Boise club played Twin Falls a match in Glens Ferry, arranged for by Bill Jackson. Everyone had a great time and similar matches will be continued in the future. Dee Harris of Sugar City went with the Boise club but, when Twin showed up two short, played for them. He nicely drew both games to avoid influencing the outcome! Play was timed 45/45. Twin Falls won 8½-7½ in a close test.

WESTERN IDAHO OPEN

This tournament was won in the final round by Dick Vandenburg when he defeated Glen Buckendorf, who had led until that point. Play was USCF rated. The top five rated players placed in the top five places in order of their ratings!
